Sub: Financial assistance to the project submitted under interdisciplinary minor research project

Dear All,

We are pleased to inform you that evaluation committee has approved your project proposal titled "Development of Portable Soil Boring Machine" under Interdisciplinary Minor Research Project for funding of Rs. 5 Lakhs. The financial assistance is governed by the following conditions

1. The amount paid may be spent within specific period.
2. The project duration will be of two years
3. A register of assets/ equipments acquired out of the grant shall be maintained as per institute norms.
4. Utilization certificate will have to be submitted after completion of the project i.e. by 31 May 2022.
5. A transparent procurement procedure should be carried out as per institute norms.

Wishing you all the best for successful completion of the project.

With best regards,

Prof. Archana Thosar

To,
The Director
College of Engineering Pune,

Subject: Request for extension of duration for the interdisciplinary minor research project.

Reference: Approval through "Financial assistance to the project submitted under interdisciplinary minor research project" through Dean R&D.
Letter No./COEP/R and D/IDMRP/12(10) dated 29/08/2020.

Sir,

The project titled "Development of semi-circular bending (SCB) fracture test for bituminous mixture" had been approved under Interdisciplinary Minor Research Project with a funding of Rs. 5 Lakhs. This project involves fabrication as well as purchase of equipment and parts. Under this project we have fabricated two items named semi-circular bending test assembly and cryogenic bath till date respectively. The expenditure for the same is as follows:

Sr. No.	Item	Amount
1.	Semi-Circular Bending Test Assembly	Rs. 49,678/-
2.	Cryogenic Bath	Rs. 85,904/-
Total		Rs. 1,35,582/-

The funds of Rs. 3,64,418/- is remaining to be utilized for this project. The project needs further procurement and fabrication of equipment and parts, that could not be completed within the stipulated period of time, 31/05/2022 due to the following reasons;

1. Due to unavailability of materials
2. Due to unavailability of vendors
3. Due to unavailability of equipment parts with recommended specification (as per ASTM D8044) with the vendor.

The project will need one more year for completion due to the above reasons. Kindly approve the extension of one year for the project.

Along with me Dr. N. A. Hedao will work as the Principal Investigator for the project. Kindly approve the same.

Hedao

Dear All,

We are pleased to inform you that evaluation committee has approved your project proposal title: "Investigation of mixing and compaction temperature of pyro-oil modified asphalt" under Interdisciplinary Minor Research Project for funding of Rs.5 Lakhs (Rupees Five Lakhs only). The financial assistance is governed by the following conditions

1. The amount paid may be spent within specific period.
2. The project duration will be of two years
3. A register of assets/ equipments acquired out of the grant shall be maintained as per institute norms.
4. Utilization certificate will have to be submitted after completion of the project i.e. by 31 May 2022.
5. A transparent procurement procedure should be carried out as per institute norms.

Wishing you all the best for successful completion of the project.

Date: 07/09/2020

To,
The Director,
College of Engineering, Pune.

Subject: Approval of Funds through Civil Departmental R&D grants.

Dear Sir,

The project proposal titled "Investigation of Mixing and Compaction Temperature of Pyro-oil Modified Asphalt" was submitted for the consideration under Financial Assistance to Interdisciplinary Minor Research Project. I am the principal investigator for the same and Dr. S. P. Butee is the co-principal investigator. The total cost for the project is Rs. 10,00,000/-, out of which 5,00,000/- can be allotted under Financial Assistance to Interdisciplinary Minor Research Project.

It is request to you to approve remaining amount of Rs. 5,00,000/- [Five Lacs] through Civil Departmental R&D grants, so that the said project can be undertaken and can be completed in time.

Thanking you.

Dr. M. S. Ranadive
Professor and Head,
Department of Civil Engineering,
College of Engineering, Pune.

Encl.

1. Project Proposal submitted under Financial Assistance to Interdisciplinary Minor Research Project.
2. Detailed procurement plan as requested by Financial Assistance to Interdisciplinary Minor Research Project committee.

To,

**The Director,
College of Engineering, Pune -5**

Subject: - Approval for Extra Funds through Civil Departmental R& D grants for the interdisciplinary Project Titled Investigation of Mixing and Compaction Temperature of Pyro-oil Modified Asphalt.

Reference: - 1. Your Permission letter dated 07/09/2020.
2. Dean R & D approval letter No. COEP/R& D/IDMRP/12 (3) dated 29/08/2020.

Dear Sir,

As per the above Subject we have approvals for the above projects under the

- 1) Interdisciplinary Minor Research Project funding of Rs. 5,00,000/-
- 2) Civil Departmental R & D grants funding of Rs. 5,00,000/-

We have utilized the total grants for the procurement of equipment Brookfield Viscometer. The total cost of instrument including GST is Rs.10,62,000/- (Rs. Ten Lakh Sixty Two Thousand). We have approval for Rs. 10,00,000/- however the GST of Rs.62,000/- needs approval from you. So you are requested to sanction an amount of Rs 62,000/- through the departmental R & D grants. /A
