Sub: Financial assistance to the project submitted under interdisciplinary minor research project

Dear All,

We are pleased to inform you that evaluation committee has approved your project proposal titled "Development Urban energy simulation model to optimize Municipal Water Supply System" under Interdisciplinary Minor Research Project for funding of Rs. 4.85 Lakhs. The financial assistance is governed by the following conditions

1. The amount paid may be spent within specific period.
2. The project duration will be of two years.
3. A register of assets/ equipments acquired out of the grant shall be maintained as per institute norms.
4. Utilization certificate will have to be submitted after completion of the project i.e. by 31 May 2023.
5. A transparent procurement procedure should be carried out as per institute norms.

Wishing you all the best for successful completion of the project.

With best regards,

Archana
