

Sponsored Research undertaken by DMEIM faculty

Name of the Project/Endowments, Chairs	Name of the Principal/Co-Investigator	Name of the Funding agency	Type (Government / Non-Government)	Year of Award	Funds provided (INR in lakhs)	Duration of the project
Fabrication of electro discharge machining electrodes by rapid tooling with application of FDM rapid prototyping process	S. S. ANASANE	AICTE-RPS	Government	6th Feb 2013	21.500	03 Years
Biomedical engineering and technology centre incubation	Dr. S.S. Anasane	Rajiv Gandhi Technology Commission GOI	Government	11th Feb 2014	250.000	07 years
A Condition Based maintenance through Ferrographic and Vibration Signature Analysis	M.D. Jaybhaye	AICTE-RPS	Government	4th March 2015	21.176	03 Years
Investigation in Electrical Discharge Machining of various metal matrix composites	RAJIV B.	AICTE-RPS	Government	5th March 2015	11.176	02 years
Design Innovation Centre at COEP	N R Rajhans	IITB	Government	01st January, 2015	70.64	06 Years
SMART Foundry 2020 (Sustainable Metal Casting Advanced	Arati Mulay	DST New Delhi	Government	19th October 2016	52.464	05 Years

Department of Manufacturing Engineering & Industrial Management

R&D)						
Modernization of Metrology lab	B Rajiv	AICTE-MODROBS	Government	8/Sep/17	11.00	02 years
Scheme for promotion of academic and research collaboration	N.R. Rajhans	MHRD	Government	28/03/2019	48.59	02 years
Modernization of Rapid Prototyping Lab	Dr. A V. Mulay/ Dr PD Pantawane	AICTE-MODROBS	Government	1/Sep/20	12.5	02 years
Setup centre of excellence in Industrial Product Design	Prof. B. B. Ahuja	DTE, Maharashtra	Government	03/04/2020	500	05 years
				Total	999.04
