From the desk of T.P.O

With a Vision to be a leader amongst engineering institutions in India, constantly pursuing excellence, and offering world class education with values and a mission, to pursue excellence in all facets of institute functioning, COEP Tech has from its inception, made more than its share of contribution to the state and nation. The achievements of our alumni having made their mark in all walks of life the world over is a testament of our commitment to the vision and mission of the Institute. Boasting of the lead Institute in NEP and equally passionate faculty in the state, drawing the brightest young minds and powered by world class facilities, COEP Tech creates an environment that is competitively intense and learning wise satisfying. The exposure provided at COEP Tech trains not just for technological superiority, but also for overall understanding of the world suitably shaping global careers for our students in the rapidly changing arena.

I am taking this opportunity to invite industries for the recruitment of this year's batch. There are a large number of organizations with which we have enjoyed lasting and fruitful relationship. These have been visiting the Campus year after year for recruiting the fresh talents. This year too we would like to see you on Campus. Do come to our Campus and test out our raw young talents with a wide range of specializations at all levels.
