To …….……………

Respected Sir/Madam,

Yuva Unstoppable is an India & US registered non-profit which has benefited over **4100+ schools and 6 million** underprivileged beneficiaries across **41 cities of India.**
We are working with 100 top corporate companies to transform government schools (improved sanitation, water, access to technology, scholarships, nutrition, removing vaccine hesitancy, value-based training, etc.)

The Scholarship is a holistic programme that aims to support the higher secondary education of meritorious students from economically challenged families. The scholarship has a keen focus in promoting education in STEM fields. Talented students will be **selected post completion of 12th grade/HSC** via our scientific/rigorous selection criteria and the scholarship will **support them for 4 years** till they complete their Degree Course from their desired college/ university. Yuva Unstoppable has proudly partnered with **100+ corporates and donors** for this Initiative, providing scholarships to over **5000 students across India - aiming to build the leaders of tomorrow!**
