Subject: Appointment of UG and PG Timetable & Load Distribution Coordinators for the CSE Department

In accordance with the academic and administrative requirements of the Computer Science & Engineering (CSE) Department, the following faculty members are hereby appointed as Coordinators for Timetable and Load Distribution for the Academic Year 2024-25 Sem-II . This assignment is effective immediately and shall remain in force until further notice.

For Undergraduate (UG/PG) Programs

Coordinators: Prof. Abhijit. A.M, Dr. Suraj Sawant

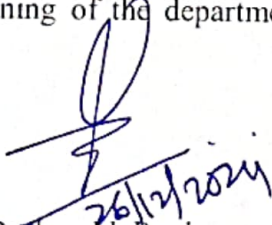

Responsibilities:

- 1) Prepare and finalize the semester-wise timetable for all UG & PG courses.
- 2) Coordinate with faculty members to resolve scheduling conflicts.
- 3) Ensure compliance with university regulations and guidelines related to timetable preparation.
- 4) Address and resolve timetable-related issues in consultation with concerned faculty.
- 5) Report to the HOD for approval and modifications if required.
- 6) Submit the finalized timetable and load distribution to the HOD for validation.

General Instructions:

- 1) Both Coordinators are expected to collaborate to avoid overlaps and ensure a seamless integration of UG and PG timetables.
- 2) The finalized timetables must be communicated to faculty and students from time to time.
- 3) Regular updates and necessary adjustments should be made as per academic requirements and conveyed to the HOD promptly.
- 4) All records related to timetable and load distribution should be maintained systematically for future reference and audit purposes.

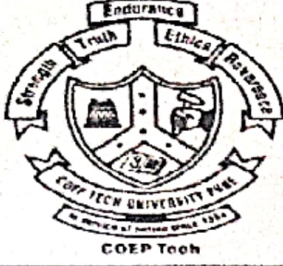

Your dedication and cooperation in fulfilling these responsibilities will contribute significantly to the efficient functioning of the department. For any further clarification or support, please contact the undersigned.
