## 3 Scope of Work

### 3.1 Category- I: Merchandise Agency:

- Create merchandise items i.e. Pen, Key ring, T-Shirt, Cap, Trophy, Souvenir, Pen drive, Bags (Paper, Cloth, Leather, Jute, Plastic etc.), lanyard, plastic card, name badges etc.
- The agency should be able to duplicate or modify the merchandise items as per the requirement of COEP TECH. The agency should have one designer in house to design new merchandise items.
- The agency may suggest and design new merchandise items. The agency should be able to use all materials available in the market.
- The agency should be able to execute all types of merchandise items using all types of material available in the market (i.e. acrylic, metal, plastic, crystal, cloth, leather etc.) and printing i.e. screen, digital, heat transfer, block printing, CAD cut vinyl printing, Debossing/ Embossing, etc or any other related work assigned by COEP TECH not listed above, but may arise in due course of time to be executed by agency in most professional manner.

### 3.2 Category – II: Printing Agency:

- The printing and designing jobs broadly include printing of visiting cards, envelopes, letter head, brochures, reports, posters, calendar, dairy, pamphlets, invitation cards, files, folders, paper bags, publicity material etc. on the basis of modern facilities and available as per national/international standards. The agency should have one designer in house to design new printing material or modify the existing work.
- The agency should be able to provide a variety of other printing job requests, including backdrop, standees, and other publicity materials for events, conferences, exhibition in large or small volumes.
- The agency should provide a list of machines available in their premises and ready to work 24x7. Sometime, urgent work is required to be executed in a very short time. The

agency is expected to adhere to such short notices and deliver items within timelines without compromising quality.

- The quality of color separation would be the responsibility of the production team of agency and approval of COEP TECH with regards to final proofs which would be required before actual printing.
- The agency should have adequate arrangements for packing and dispatching the documents, if so required for which charges would be reimbursable. The postal/packing charges of courier service/postal department charges will be admissible as per actual rates,
- The Agency should have full-fledged unit of for usual design, preparation of art work, translation in English, Hindi and other regional languages etc., proof reading, designing, composing & printing etc.
- The agencies will be responsible for collecting manuscript and other materials free of charge. The agency will do the work of preparation of designs, proofreading, editing, printing, binding etc. as per the direction of COEP TECH

## 5 Evaluation and Empanelment Procedure

In order to empanel agencies, COEP TECH will constitute an Evaluation Committee to evaluate the proposals submitted by agencies. During evaluation of proposals, COEP TECH, may, at its discretion, ask the agencies for clarification on their applications. The process for empanelment is as given below.

### 5.1 Evaluation process:

Scrutiny of eligibility criteria mentioned in this RFE will be done by the Evaluation Committee to determine whether the documents have been properly signed and stamped, qualification criteria fulfilled and all relevant papers submitted are in order as per RFE. The Evaluation Committee can seek additional information from the agencies, if needed. The response to the RFE not conforming to requirements, financial turnover requirement, office location and past work record will be rejected.

### 5.2 Evaluation based Eligibility

First the Eligibility Proposal Documents will be reviewed/evaluated and only those bidders who qualify the minimum requirements specified in the RFE, will be eligible for technical presentation. Technical Proposal of Bidders who do not meet the Eligibility criteria will not be opened. All the supporting documents/documentary evidence must be attached as per specifications done in Eligibility criteria

### 5.3 Evaluation Criteria

- a. COEP TECH shall evaluate the responses of the agencies to this RFE and scrutinize the supporting documents/documentary evidence as per standard formats. Inability to submit the requisite supporting documents / documentary evidence by the bidders, may lead to

- rejection.
- b. The decision of COEP TECH in the evaluation of proposals shall be final. No correspondence will be entertained outside the process of evaluation with COEP TECH. COEP TECH may ask for meetings with the Bidders or may issue in writing/email to seek clarifications or confirmations on their proposals.
  - c. During the Proposal Evaluation, COEP TECH reserves the right to reject any or all the proposals. Each of the Proposals shall be evaluated as per the criteria and requirements specified in this RFE. The Evaluation Committee (EC) constituted by the COEP TECH shall evaluate the responses to the RFE and all supporting documents & documentary evidence as mentioned in this section of the RFE.
  - d. COEP TECH reserves the right to check/ validate the authenticity of the information provided in the Pre- qualification, Technical Evaluation criteria and the requisite support must be provided by the Bidder

#### **5.4 Technical Evaluation:**

The technical evaluation will be done on the basis of documents submitted and technical presentation by the agency. The agency is expected to submit both hard and soft copies of the documents. Each of the item type has been allocated a particular mark, based on which the final technical score will be calculated.

#### **5.5 Publication/Announcement of RFE Document**

- a. RFE document will be published on the following websites:

#### **5.6 Earnest Money Deposit (EMD) -Bid Security**

- a. All the Bidders shall submit “**Bid Security Declaration**” as EMD -refer Format at **Form 3 in Annexure I**.
- b. Bids submitted without the “**Bid Security Declaration**”, or any other format will be liable for rejection without providing any opportunity to the bidder concerned.
- c. **Bid Security Declaration** must remain valid for at least 180 days beyond the final bid validity period and the validity of the **Bid Security Declaration** should be extended in the event the last date of bid validity is extended.
- d. **Bid Security Declaration** of all unsuccessful bidders would go void from the final selection processes completed. The **Bid Security Declaration** of selected bidder(s) would be void upon Language

#### **5.7 Late Bids**

- a. All Bidders are required to submit their bids (complete in all respects) within the time and date as specifications given in the RFE. The Bids received after the due date and the specified time (including the extended period if any) for any reason whatsoever, shall not be entertained. The Bids submitted by telex/telegram/fax/e-mail/manually etc. shall not be considered. COEP TECH shall not be responsible for any delay or non-receipt/non-delivery of the documents. No further correspondence on the subjects will be entertained.

COEP TECH reserves the right to modify and amend any of the above-stipulated condition/criteria depending upon project priorities vis-à-vis urgent commitments.

- b. COEP TECH may, in exceptional circumstances and at its discretion, extend the deadline for submission of proposals by issuing an addendum/corrigendum. In such case, all rights and obligations of COEP TECH and the bidders previously subject to the original deadline will thereafter be subject to the deadline as extended.

## **5.8 Tender Validity**

The offer submitted by the Bidders should be valid for minimum period of 180 days from the date of submission of Tender.

## **6 Submission of Bid**

Proposal must be submitted at COEP TECH, Pune in one big sealed envelope marked as "Application for the Empanelment of Agency for Merchandise/Printing the documents". The big envelope will contain 2 envelopes. The name and contact details of the firm should be indicated on each envelope. All documents must be properly marked. The response to RFE should be submitted in one hard copy (signed on every page) and one soft copy on pen-drive. In case of any discrepancy, the signed hard copy version will prevail.

Envelope-1: Eligibility Criteria- Annexure-1 (Forms 1 to 8)

Envelope-2: Technical Criteria- Annexure 2 & 3 (Copies of documents in order as per the requirement).

- Applicants can apply in both categories i.e. Merchandise & Printing/. The Applicants are required to submit separate applications for each category. Details on the services to be provided are mentioned in the Scope of work in this document. No consortia / joint ventures shall be allowed to apply for empanelment.
- The tender should be filled by the bidder in English language only.
- COEP TECH reserves the right to reject any or all of the responses to this RFE without assigning any reason. COEP TECH takes no responsibility for delay, loss or non-receipt of response to RFE.

The sealed envelope should reach in COEP TECH office by 25<sup>th</sup> February **2025** before **12.00 hours** addressed to:

**The Registrar  
COEP Technological University  
Wellesley Road, Shivaji Nagar, Pune 411005, Maharashtra, India**

## **7 General Instructions to the Bidders**

### **7.1 Right to Terminate the Process**

- a. COEP TECH may terminate the RFE process at any time and without assigning any reason. COEP TECH makes no commitments, express or implied, that this process will result in a business transaction with anyone.
- b. This RFE does not constitute an offer by COEP TECH. The bidder's participation in this process may result in COEP TECH selecting the bidder to engage towards execution of the contract.

## **7.2 Allocation of Work**

- Mere empanelment with COEP TECH does not guarantee allocation of work. For every work requirement, COEP TECH will circulate a Scope of Work (SOW) to its empaneled agencies. The scope of work is a brief list of activities to be undertaken by the empaneled agencies depending on requirement of COEP TECH. The scope of work is a brief list of activities to be undertaken by the empaneled agencies depending on requirement of COEP TECH.
- COEP TECH may ask the agency to create/modify available merchandise sample for COEP TECH on mutual consultation and agreement. The selected sample will be available with COEP TECH and agencies can see these items before submission of quotation. Content to be printed on the materials will be provided by COEP TECH in the form of word document /PDF/CDR/JPEG files. The allocation of work will be based on financial quote lowest rate (L1) as quoted by the agency. It is expected that all agencies will participate in every bidding process. If an agency fails to participate in three consecutive bids, the empanelment shall be liable to be rejected.

## **7.3 Change Orders:**

COEP TECH may at any time, before completion of work under project awarded to empaneled agency, change the work content by increasing/reducing the quantities by 20% as mentioned in the work order, without creating any liability for compensation on any grounds, whatsoever due to this change. In such a case, the Agency will have to perform the work in the increased/decreased quantity on pro-rata basis within the stipulated time.

## **7.4 Right to Terminate the Process:**

National e-Governance Division (COEP TECH) may terminate the RFE process at any time and without assigning any reason. National e-Governance Division (COEP TECH) makes no commitments expressed or implied that this process will result in a business transaction with anyone.

## **7.5 Payment Schedule:**

The Competent Authority will certify that the job is completed and satisfactorily and as per the work order. The payment will be made within one month after the receipt of the invoice/bill. No Advance payment to specific work.

## **7.6 Frequency of Empanelment**

COEP TECH shall empanel agencies for two years. The empanelment duration may be extended by one year or till the project is running at the sole discretion of COEP TECH on same terms & conditions.

## **7.7 Binding Clause**

All decisions taken by the COEP TECH regarding this contract shall be final and binding on all concerned parties.

## **7.8 Agency's Integrity**

The Agency is responsible for and obliged to conduct all contracted activities as defined in the scope of work in accordance with the Contract.

## **7.9 Forfeiture of Performance Bank Guarantee/FDR/Draft**

Forfeiture of Security Deposit: Security amount in full or part may be forfeited in the following cases:

- a. When the terms and conditions of contract is breached/infringed.
- b. When contract is being terminated due to non-performance of the Successful Bidder.
- c. Notice of reasonable time will be given in case of forfeiture of security deposit. The decision of the Nodal Officer in this regard shall be final.
